The Service Dealer Awards, are now in their 12<sup>th</sup> year and recognise outstanding sales and service support provided to customers by dealers in the garden machinery, professional turfcare and sportsground machinery, farm machinery, forestry equipment and ATV/Quad supply industry.

Chris Biddle, Editor of Service Dealer magazine, the industry's leading trade magazine said "All the winners this year have demonstrated outstanding commitment to providing excellent customer service. It doesn't matter whether the company is big or small, what counts is that they make their customers feel special – and that service is at the heart of their business. GGM Groundscare has been an outstanding dealer for many years, is highly regarded by its suppliers and customers – and fully deserves this recognition"
